# Tenth Anniversary

1966 marks the Tenth Anniversary of E.W.H.S. and the tenth graduating class. Every September, a new class finds itself swept into its final year, and before they know it, the diplomas are in their hands, the year has ended. As we leave this school for the last time, we wish our successors the best of luck.

# A Decade of Service to the Community

## Student Progress

604 students have graduated from this school before 1966. All of our classes have made progress in such areas as student parking, teacher-appreciation day, and senior day. EWHS has sent delegates to the Student Council Workshop, Boys' State and Girls' State, and even boasts of a member in the Conn. Student Council. Who

could forget the growing band, chorus, and basketball game crowds? One of the greatest signs of student progress here has been the success of the Foreign Exchange Program, which has provided us with three remarkable students: Rachmat Badruddin ('62), Werner Buddenkotte ('64), and Catharina Erstam ('66).

## Academic Procedures Advance During Decade

### Building Progress

From the clamour and grime of the metal shop to the color and gleam of the art room, EWHS's special rooms each take on their own traits. The gym is spacious and lively; the French room is filled with phrases that are foreign to our ears; the business rooms hammer out an atmosphere of their own; and the homemaking rooms are aromatic. Then there's the chemistry lab, which is — well — unbelievable.

## School Activities Develop Student

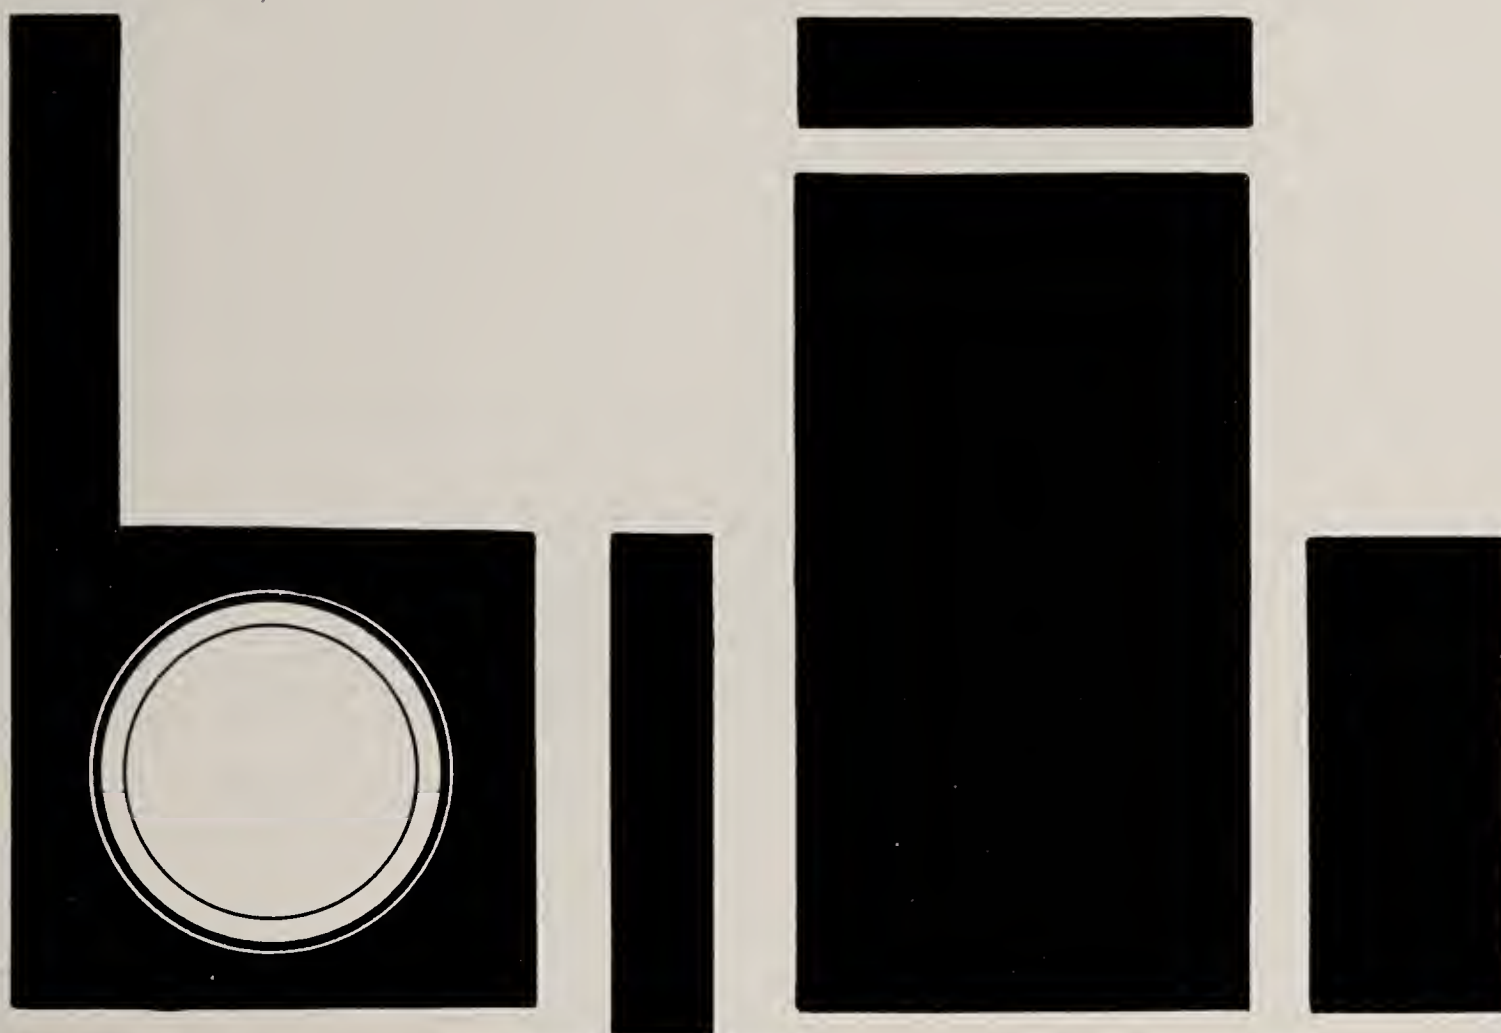

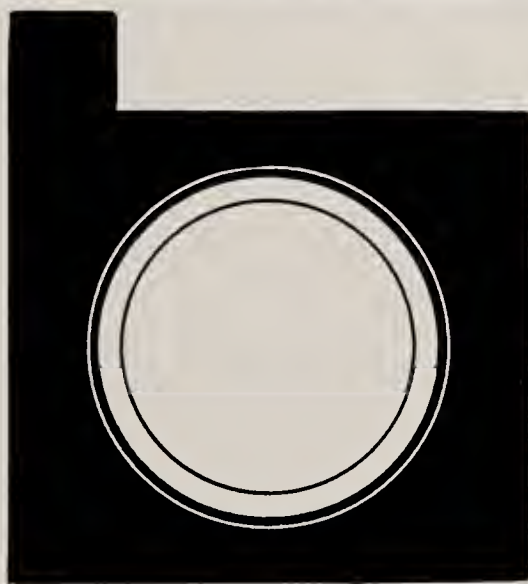

When the Class of 1966 began its freshman year at East Windsor High School, a member of the faculty entered his freshman year of teaching. Throughout the subsequent years, he has remained a true friend and inspiration to all of us, both in the classroom and in extracurricular activities. We knew that we could always turn to him for a few words of advice and encouragement.

As we leave this school for the last time, we would like to make this dedication. With fond memories in our hearts and a deep sense of gratitude, we, the Class of 1966, present to you, **Mr. Michael Pappas**, our highest honor, the dedication of our yearbook.

## SUPERINTENDENT'S MESSAGE

A decade of growing graduating classes! That's what you represent for East Windsor. And when people say that it doesn't seem possible that ten years have gone by since East Windsor High School opened, you remind them that it has been eleven years since the school opened for the first time. Then stop and consider for a moment that you, as an individual, represent the proud hopes and dreams of a Town that, just eleven years ago, put forth a great deal of effort so that your graduation would take place in your own Town.

May each of you find the goals you seek and have the opportunity to participate in making the world we live in a better place for future graduates.

THOMAS F. CATON, JR.  
Superintendent of Schools

## They Establish and Enforce Policy

Mr. John Fennessy, Mr. Edward J. Hastillo, Mrs. Tere-salee Bertinuson, Mr. Ellis Potter, Secretary to Board, Mr. Charles C. Brewer, Chairman; Mr. Thomas F.

Caton, Superintendent; Mrs. Mary D. Whitehouse, Mr. David Barry, Mr. Freeman F. Patten, Mr. Richard J. Mackintosh.

**GEORGE A. DONOVAN**  
Principal

## Administration Set High Standards of Education

To the Class of 1966:

As members of the TENTH COMMENCEMENT CLASS you have a very special responsibility to earn and so merit the status of graduates from this school.

Let no one be likened to the subject of Aesop's fable, "The fly sat upon the axletree of the chariot wheel and said, "What a cloud of dust do I raise!"

## A Staff Member Speaks

by Catherine L. Briggs

The members of the original staff take pleasure in congratulating **The Archive** on the occasion of its tenth publication. We have seen the school and the yearbook grow together. Just as small children have grown into tall teenagers, so has **The Archive** grown from small beginnings into a

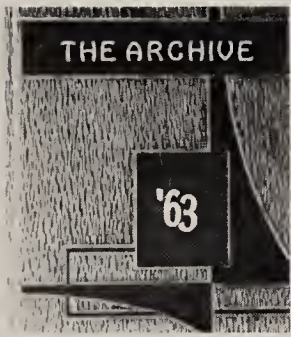

flourishing publication. May the next decade bring continuing prosperity to the school and its yearbook. May each class find the satisfaction that comes with leaving this tangible souvenir of its high school activities.

A championship team needs that little extra, not only in physical skill, but in competitive spirit and unselfish team play. This year the North Central Champs possessed the above mentioned qualities.

# The Band

## WOODWIND SECTION

The 65-66 EWHS Band is one of the best bands our school has ever had. In addition to setting a record for quality of sound and performance, it has also set a record as the largest band in the school's history. The band has 46 members, 16 of whom are seniors, a record number of seniors for the band.

A large number of members means nothing, however, if they are not skilled and do not work hard during their daily rehearsals; but these musicians are a skilled and hard-working group.

Our band adds a great deal of culture, diversity, and spirit to the school, and we should all be very grateful for their work and that of their wonderful conductor, Mr. Theodore Catino.
